TO: Ms. Kathy Sands
Committee on Government Operations
House of Representatives

Dear Kathy:

This might be what Pete is thinking about. He asked for help on guidelines and I provided same on an informal basis. I think the enclosed material covers all aspects of the matter. I do hope this helps. Obviously, this informal guidelines draft by me in 1975 does not represent an Agency position and the position is in the document which has been provided to the Subcommittee. Please let me know if I can be of any further assistance.
